

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
EYFS	I am a super surfer <i>Digital Literacy/ Information Technology</i>	I am a super surfer <i>Digital Literacy/ Information Technology</i>	Look what I can do <i>Information Technology</i>	Look what I can do <i>Information Technology</i>	I am a computer scientist <i>Computer Science</i>	I am a computer scientist <i>Computer Science</i>
Year 1	Basic Computer Skills <i>Information Technology/ Digital Literacy</i>	Presenting Information <i>Information Technology/Digital Literacy</i>	Unplugged Algorithms <i>Computer Science</i>	Digital Painting <i>Information Technology</i>	Using text based- programs to process and format text and images <i>Information Technology</i>	Programming, coding and Robotics <i>Computer Science</i>
Year 2	What is a Computer? <i>Information Technology</i>	Coding and Algorithms <i>Computer Science</i>	Programming using Scratch Jnr <i>Computer Science</i>	Data collection and representation using pictograms <i>Data Collection</i>	Modifying text and images <i>Information Technology</i>	Staying Safe Online <i>Information Technology</i>
Year 3	Introduction to Scratch <i>Computing Science</i>	Composing Emails <i>Information Technology</i>	Prediction and Debugging <i>Computing Science</i>	Publishing online content <i>Information Technology</i>	Altering Digital Media <i>Information Technology</i>	Inside a Computer <i>Computing Science</i>
Year 4	Branching databases <i>Computer Science</i>	Repetition and forever loops <i>Computer Science</i>	Designing a game in scratch <i>Computer Science</i>	Making a special effects movie <i>Information technology/ digital literacy</i>	Smarter Searching and Online Safety <i>Computer science/ digital literacy</i>	Pixel Art <i>Information technology</i>
Year 5	Create and search a database <i>Information Technology</i>	Variables <i>Computer Science</i>	Coding with Microbits <i>Computer science</i>	Stop motion animation <i>Information technology</i>	World Wide Web and Internet <i>Computer Science</i>	3D modelling <i>Information technology/ Digital literacy</i>
Year 6	Python Introduction <i>Computer science</i>	Creating formula in excel <i>Information technology</i>	Programming a game <i>Computer science</i>	HTML <i>Computer science</i>	Creating a podcast <i>Information technology</i>	Social media and being safe online <i>Information technology</i>
