This term we are going to be covering the following topics:

Maths	<u>Multiplication and Division</u> - Children will be exploring multiplication and division by completing a range of fluency, problem-solving and reasoning questions. Children will revisit their 2, 5 and 10 times tables from Year 2 and they will learn their 3, 4 and 8 times tables.
English	<u>Setting Narrative and Information Leaflet</u> - Children will explore the book 'Rhythm of the Rain'. They will use this text to complete two different writing outcomes - Setting Narrative and Information Leaflet.
Science	<u>Light</u> - Children will learn to recognise that they need light in order to see things and that dark is the absence of light. They will work scientifically to investigate which surfaces are reflective, transparent, translucent and opaque.
History	<u>The Indus Valley</u> - Children will learn about the Indus Valley and how people know that it existed using sources and evidence.
RE	<u>Galilee to Jerusalem</u> - Children will explore stories from the Gospel of Matthew. They will learn about parables and miracles and their meaning.
Collective Worship	<u>Courage</u> - Children will understand different ways they can show courage and what the word courage means.
DT	<u>Structures</u> - Children will be learning how structures are built and the features of different structures. Children will make their own castle by the end of the topic.
Computing	<u>Prediction - Debugging</u> - Children will learn how to design, write and debug programs that accomplish specific goals.
PE	<u>Ball Skills</u> - Children will be developing the skills of throwing and catching by playing a variety of different games.
PSHE	<u>Dreams and goals</u> Children will how they can follow their dreams and the steps necessary to achieve their goals.
