Dear Parents/Guardians,

Thank you for your online application at Liverpool.gov.uk/admissions for Reception Class.

In order for your application to be considered against the school's faith/denomination criteria then you must complete the ***Supplementary Faith Form*** (enclosed) as well as the Local Authority's online application.

Once completed you should send an email to **ao@faith.allsaintsmat.org** attaching your completed Supplementary Faith Form and a copy of your child's birth certificate. You will then receive a reply confirming we have received your application.

The Admissions Committee of the Governing Body will then meet to allocate places. They will then send their list to the LA who will notify you of your allocation on National Offer Day via the email address you will have provided them on your application.

Following the acceptance of an offer of a place it will be necessary for you to provide us with your child's baptism certificate and proof of residency documents.

Yours sincerely

Mrs L Gannon
